Information Note

FIRST HIGH-EFFICIENCY COGENERATION AUCTION ANNOUNCED

Madrid - 16 November 2026

The Resolution of 5 November 2026 of the Secretary of State for Energy, announcing the **first auction for the award of the specific remuneration scheme for high-efficiency cogeneration facilities**, was published in the Spanish Official State Gazette (BOE) on 13 November 2026.

This auction call falls within the framework established by Royal Decree 530/2026 of 24 June, which provides for the allocation of the remuneration scheme through successive auctions, covering a **total capacity of 1,200 MW**. Order TED/672/2026 of 2 July sets out the allocation procedure, regulates the auction mechanism and establishes the characteristics of the specific remuneration scheme, together with an indicative timetable of auction calls for the 2026–2027 period.

The resolution sets out the conditions governing this first auction and approves, among other aspects, the timetable, detailed specifications, participation forms and parameters required for its implementation. **OMEL Diversificación, S.A.U.** is responsible for organising and managing the auction.

In accordance with the approved timetable, **the pre-qualification and qualification period will open on 16 November 2026 at 13:00**, marking the start of the participation process for this first auction.

All information relating to the auction call, including the resolution, timetable, regulatory framework and pre-qualification and qualification guides, is available on the auction website:
