### 1 INTRODUCTION

In view of the adoption on 8 December 2011 by the European Union of new binding rules on wholesale energy market transactions through **Regulation (EU) No 1227/2011** of the European Parliament and of the Council on wholesale energy market integrity and transparency (hereinafter "**REMIT**"), which introduces an industry-specific framework for the monitoring of wholesale energy markets, in order to detect and prevent market manipulation and insider dealing, wholesale energy market participants shall provide the Agency for the Cooperation of Energy Regulators (hereinafter "**ACER**"), on a regular basis, with data on wholesale energy contracts, both for the supply of electricity and natural gas and for the transmission of these products.

In accordance with the above, OMI-Polo Español S.A. (OMIE) as the entity responsible for managing the daily and intraday electricity market on the Iberian Market will provide the communication service under the aforementioned EU Regulation through the entity OMIClear Spain Branch (hereinafter "OMI RRM") as ACER's Registered Reporting Mechanisms (RRM).

### 2 APPLICANT REQUIREMENTS

The applicant for service shall:

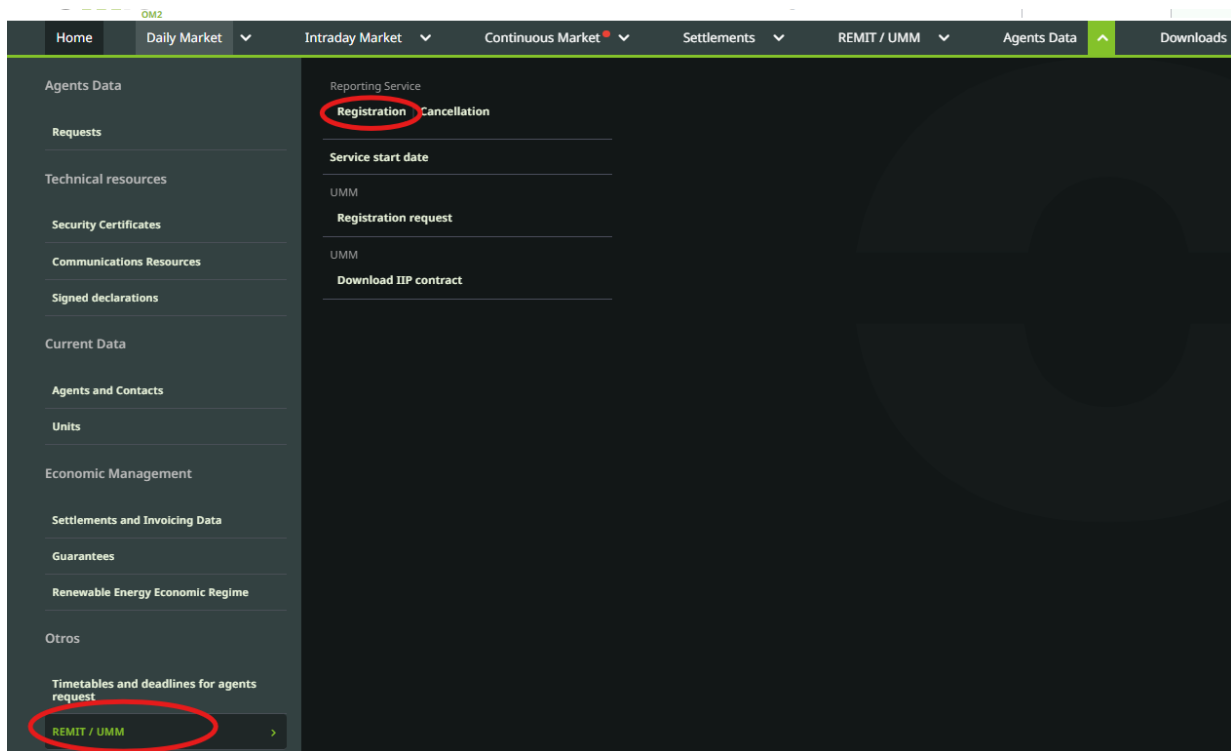

- Being a Market Agent.
- Make the application with a certificate that must have the power to update the general details of the Agent.
- Be registered as a market participant in ACER and have been assigned an ACER code: This code must be requested at the offices of the Comisión Nacional de los Mercados y de la Competencia (CNMC) at the following link [https://www.acer.remit.eu/ceremp/home?nraShortName=25&lang=en\\_EN](https://www.acer.remit.eu/ceremp/home?nraShortName=25&lang=en_EN)
